

5th Quarter Portfolio

Boston Public Schools (BPS) is excited to launch the 5th Quarter Portfolio, a division of the Opportunity Portfolio, as a key strategy for identifying and increasing equitable access to high-quality summer learning opportunities.

Goals

Programs who are selected into the 5th Quarter Portfolio will...

- ✓ *Stem summer learning loss*
- ✓ *Develop students' social emotional skills*
- ✓ *Strengthen school-community partnerships*
- ✓ *Promote student health and wellness*

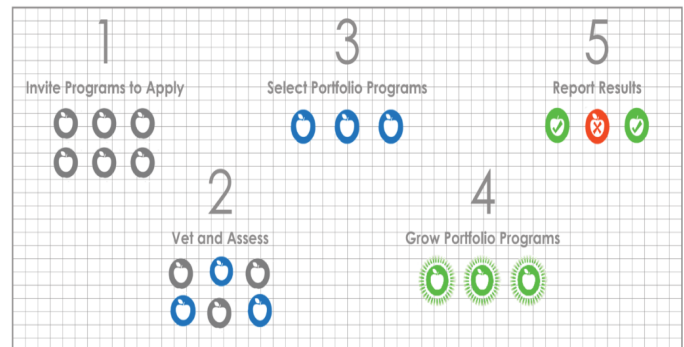

Who is eligible?

All BPS Schools and Non-Profit Organizations offering summer learning programs that fit specified minimum qualifications.

Why apply?

- Eligibility for BPS Summer Learning Academy funding
- Usage of BPS facilities
- Increased access to data and measurement tools that support programmatic outcomes
- Access to BPS curriculum resources
- Promotion of program to schools, students, and families
- Brokering of partnerships between schools and community-based organizations
- Technical assistance and professional development

How does it work?

Important Dates

Application Release Date: November 16
Technical Assistance Session: November 21 & 27 (4:30pm at Bruce C. Bolling Building)
Application Due Date: December 15

What's the first step?

Register on PartnerBPS.org or update your profile! If you already have programs registered, you will automatically have an application started for you.
